

Short Courses & Workshops

There are some admission programs in a wide range of medical fields. The costs and course periods differ from each other but the medium of teaching all the courses is English.

In order to apply for any short course at TUOMS, fill out the [Application Form](#) and send it along with a passport copy and CV to International Relations Office at Nursing@tbzmed.ac.ir. Below you can see the list of short courses & workshops at this faculty.
